REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

1. Based upon the Amendment filed April 12, 2007, the restriction requirement and election of species requirement set forth in the Office Action mailed May 10, 2006 has been withdrawn. Claims 1-13 are examined as a whole.
2. Based upon the Amendment filed April 12, 2007, the rejection under 35 U.S.C. §112, 1st is withdrawn.
3. The prior art references have been considered. The references alone or in combination form do not teach nor suggest structurally similar compounds as those instantly claimed. There is no motivation to modify the prior art compounds to derive the instant compounds. As such, claims 1-13 are deemed patentable therefrom.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zinna N. Davis whose telephone number is 571-272-0682.
6. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
